

Computer Music Ltd

is...

a NZ owned and operated business run by **Helen Beech**. Helen is a **Sibelius specialist**, trained primary school teacher former **Music Teacher**, gadget lover, [painter](#) and gardening fanatic.

Computer Music have been importing, supplying, supporting and training music technology for over 9 years (before then Helen's Father, Dave Beech ran the business)

I love music, technology and education

... what a great mix!

Call me

and you will find out I also

love talking to people too

This is the view from the office window....
